The IQAC of Sanctorum College of Education held a meeting on 16th of July 2017. The main concern of the meeting was to send the pupil teachers to different schools for conducting the main component of B.Ed programme i.e Practice of Teaching(POT) as framed in the syllabus of the said programme. The permission with regard to conduct the POT was bought from the concerned CEO's and ZEO's of district Baramulla. Different groups will be formed among students and one supervisor will be given the responsibility to be with the groups respectively allotted. The college faculty will arrange demonstration programme on lesson planning prior to Practice of Teaching.

Discussions made by IQAC

Faculty were directed to do a proper counseling of students before commencement of POT as this period is considered very demanding and exhaustive, yet the essence of teacher training lies in it. Faculty members also shared their views, concerns, experiences and this proved beneficial while making plans for the next session.
