

## Sanctorum College of Education

### Action Taken Report on Feedback

To get an overall idea on the syllabi of various courses offered the college maintains an institutional level feedback report. Every year feedback on curriculum is collected mostly from the outgoing students as they have an overall idea of the curriculum. Feedback were collected from different stakeholders like students, teachers, parents and alumini on the completion of their course and from the teachers on the effectiveness of the course and the curriculum and the matters related to that.

The data collected by the IQAC was sorted and consolidated for drafting the analysis report. The data entered in the selected format was analysed for proper comprehension of the matter. The analysis is done year wise. The aspects pointed out by all the stakeholders are considered with special care and attention. The teachers discussed and evaluated the suggestions received from different spheres regarding the curriculum. The suggestions were consolidated to communicate to the teachers and proper suggestions were formulated to be communicated to ensure the proper redressal of the grievances. The suggestions received through the feedback are promptly communicated to the concerned members.

**Action Taken:** The IQAC cell of the college unit has gone through the feedback of students. On demand of students college installed white board, separate washroom for boys and girls and reading room with required number of daily news papers, journals etc.
